Watch What Happens Live with Andy Cohen

Season 20 streaming now

Watch What Happens Live with Andy Cohen is a late-night, interactive talk show that features guests from the world of entertainment, politics and pop culture. Hosted by Andy Cohen, the series has become a nightly destination for A-listers. Whether “Pleading the Fifth” or “Opening The Vault,” endless memorable moments have been revealed as host Andy Cohen continues to challenge some of the biggest celebrities on the only truly live, interactive series in late night television.

Family Karma

Seasons 1 - 3

Family Karma provides a glimpse inside the captivating lives of a group of young Indian-American friends living in Miami. These adult friends come from close-knit, multigenerational families with deep-seated ties to Indian culture. While trying to uphold the cherished traditions of their parents and grandparents, this modern generation is forging their own way as they navigate lively social lives in Miami.

Million Dollar Listing Los Angeles

Seasons 1 - 14

Million Dollar Listing follows the lives of Los Angeles's hottest, youngest, and most aggressive real estate magnates in the making as they net a fortune selling multi-million dollar properties in the most exclusive neighbourhoods – Hollywood, Malibu and Beverly Hills. Each episode keeps up with these fast-moving, savvy agents as they juggle multiple demands on their time and try to keep their professional lives afloat.

Queer Eye

Seasons 1 - 4

They are the Fab Five: An interior designer, a fashion stylist, a chef, a beauty guru and someone known as the “concierger of cool” - who is responsible for all things hip, including music and pop culture. All are talented, they're gay and they're determined to clue in the cluttered, clumsy straight men of the world. With help from family and friends, the Fab Five treat each new guy as a head-to-toe project. Soon, the straight man is educated on everything from hair products to Prada and Feng Shui to foreign films. At the end of every fashion-packed, fun-filled lifestyle makeover, a freshly scrubbed, hopefully enlightened guy emerges - complete with that “new man” smell!

Shahs of Sunset

Seasons 1 - 9

Shahs of Sunset follows a group of Persian-American friends living in Los Angeles who are trying to juggle their active social lives and up-and-coming careers while balancing the demands of their families and traditions. These passionate socialites are fervent on the dating and party scene, but seeking approval from their families they face pressures to settle down and marry within the community. From outings on Rodeo Drive to traditional Persian feasts at home, this series celebrates the unique lifestyle of a group of friends who value what they have and are not afraid to flaunt it.

The Bi Life

Season 1

The Bi Life is a reality dating series following a group of bisexual or questioning British singles as they set out to find love abroad in Barcelona. While living and partying together, the singles help each other through the highs and lows of bisexual dating, as they form new friendships, find romance and explore their identities.

Below Deck Mediterranean

Seasons 1 - 7

The *Below Deck* franchise voyages to the deep blue waters of the Mediterranean Sea in *Below Deck Mediterranean*. The series follows the crewmembers aboard a private luxury yacht as they provide first-class service to wealthy guests during the charter season. In each episode, the team encounters a new group of well-to-do clients with challenging requests and lofty expectations. The young crewmembers must learn to work together as they face the inevitable drama that comes with sharing close quarters. While demanding, the job offers the crew the chance to experience the spectacular sights, sounds and tastes of the Mediterranean.

I am Cait

Seasons 1 - 2

I Am Cait gives viewers an exclusive look at the life of Caitlyn Jenner as she begins her new journey as a transgender woman. Finally able to live as the person she feels she was meant to be, Caitlyn now enjoys life from an entirely new perspective. The series follows Caitlyn as she experiences both the joys and challenges of being a transgender woman, while also exploring how Caitlyn's decision to transition has affected her relationships with her family and friends. Having always wanted to fit in and feel normal, Caitlyn looks to establish a "new normal."
